

Shalom!

First Fruits of Zion has been actively laboring to bring Yeshua faith back to its foundations for thirty years. This year we have experienced unprecedented growth! Many people are seeking spiritual authenticity, deep learning, and real community, and (thank God) they are discovering Torah Club. However, rapid growth creates new challenges, and if mismanaged, it can do more harm than good.

Several years ago, we restructured Torah Club into a small-group network. We felt God call us to create a spiritual home for Yeshua's disciples, where they could experience Messianic Jewish learning and build friendships. **The effort stretched our organizational resources thin, but we believed it was worthwhile.** In our very first planning meeting, we said:

The need exists and is strong. The message is critical, restoring, and faith-renewing. If Torah Club fails, it will [only] be due to a lack of systems, management, and ability to grow with the community that desires and needs it.

This past fall, we experienced a thirty percent growth in the formation of new Torah Clubs, and that trend continues. We now have more than 700 clubs representing thousands of students. Supporting these clubs has stretched our small staff to the limit. **That's why we need your help.**

With God's help through your hands, we can meet the needs and organizational challenges we face as the club continues to grow. **We will carefully steward your generosity, exercising caution and wisdom to manage this growth. We will be patient to wait on God's provision and his direction until he provides and directs, but we will be ready for the harvest:**

When he saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd. Then he said to his disciples, **"The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."** (Matthew 9:36-38)

The world needs a fresh encounter with the authentic Yeshua. Every donation, large or small, will help. It will give the financial strength to implement solid plans, work through decisions, and continue forward in hiring more staff and bolstering our support systems. **Because of you and our shared efforts in this mission, we are spreading the knowledge of God, increasing the call to discipleship to Yeshua, and bringing the realization of the kingdom closer.**

First Fruits of Zion is a non-profit organization. All donations are tax-deductible.

Please prayerfully consider joining in the harvest with us with your end-of-the-year donation. We ask that you would continue to keep this work, our efforts, and the needs of this ministry in your prayers.

Grace and Peace,
