

Shalom!

With your support, First Fruits of Zion has been blessed with another year of transformational growth. Our small-group Bible study ministry, Torah Club, has expanded by another 30 percent since last fall. Thousands of Yeshua-followers have reconnected with the Jewish foundations of their faith for the first time in these small, intimate communities.

However, the past year also brought new challenges. **The COVID-19 pandemic highlighted our culture's increasing reliance on electronic media.** Many potential Torah Club Students expressed a desire to be able to meet in virtual spaces. We need to prioritize meeting the needs of an online generation.

Our message is needed now more than ever. The world is growing more chaotic and unstable. The church is faced with social pressure from all sides. Many Christians are at a loss for how to navigate their rapidly changing environment. **Because the church has largely abandoned the Torah, its theology is often not deep enough or grounded enough to provide a clear moral compass.**

Millions of Christians are ready to take their next step of faith. They want to move forward. They just need direction. The Torah provides this direction: "Your word is a lamp to my feet and a light to my path" (Psalm 119:105). First Fruits of Zion is uniquely positioned to show the way forward by making the Torah accessible to the followers of Yeshua.

Our next step as an organization must be to extend our reach and make our message easier to access by building out our digital capabilities. This means revamped websites, online Torah Clubs, and a **First Fruits of Zion smartphone app**—a one-stop shop where anyone can read *Messiah Magazine*, Torah Club Students can participate in their groups, and *FFOZ Friends* can access exclusive content.

Here is where we need your help.

App development represents a significant investment of time and financial resources. It can happen only with your generous support. Your end-of-year donation will help kickstart the process of selecting a developer and designing the best possible experience for anyone who wants to know more about the Jewish Jesus and the Old Testament bedrock of their faith.

First Fruits of Zion is a non-profit organization. All donations are tax-deductible.

By partnering with us to open the door for a new generation of always-online Christians to reconnect with Rabbi Yeshua and rethink their relationship to the Torah, you will be personally contributing to the spiritual revitalization of the church across the globe.

Please keep us and our mission in your prayers. Together, we are changing the world by advancing the message of the kingdom, a promise of what is to come.

Grace and Peace,

AREAS OF NEED

HELP US EXPAND OUR MISSION IN 2022

TORAH CLUB DIGITAL PARTICIPATION

THE DEMAND FOR TORAH CLUB to be conducted online has grown exponentially since our world went on lockdown in 2020. Our focus and vision for the future of Torah Club remain on in-person clubs. However, we know many people are missing out on the opportunity to study the Bible from a Messianic Jewish perspective with other disciples due to constraints from government, health concerns, and other limitations. Thus, with God's help, we plan to develop a proprietary system for club meetings to be held online.

MESSIAH MAGAZINE, PODCAST, ONLINE

THIS YEAR WE RELAUNCHED *Messiah Magazine* and introduced *Messiah Podcast* to help spread Messianic Jewish teaching to Christians and Jews in new and exciting ways. Our work doesn't stop there. The next phase of our outreach is *Messiah Online*, a robust, online platform for Messianic Jewish articles, resources, and tools designed to reach and inspire believers with the message of the Jewish Jesus and the coming kingdom. We need to help influence a culture shift focused on the mission of Rabbi Yeshua.

NATIVE FFOZ SMARTPHONE APPS

MOST OF US USE a smartphone in our daily lives. This incredible device allows us to stay connected to loved ones, read current news, and consume entertainment. With an FFOZ app, you would have access to the *FFOZ Friends* Resource Center, tools for spiritual growth, and shareable content right at your fingertips. A native FFOZ app will elevate our smartphones from the mundane to the spiritual and keep us focused on growing to be like our Master.

IMPROVED ONLINE PRESENCE

THE INTERNET ALLOWS US to give free access to our teachings to anyone in the world. FFOZ is committed to having a strong and relevant online presence. However, many upgrades and developments to our infrastructure are needed to contend with technological advances. With your generous contribution, we will be able to stay up to date to advance the message of the kingdom to every corner of the world.
