KNOW JESUS BETTER

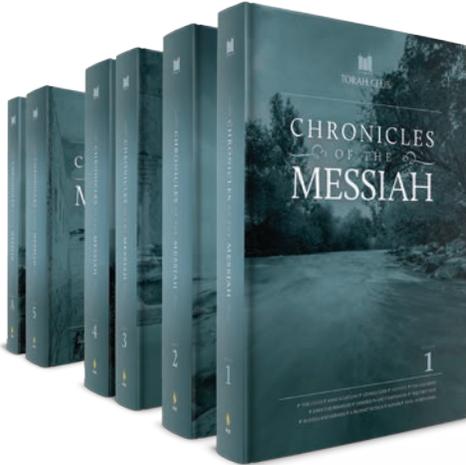

*“My sheep hear my voice,
I know them and they follow me.”*

— JOHN 10:27

Know Jesus Better with Chronicles of the Messiah

The Greatest Jewish Story Every Told

To truly know Jesus, we must also know him as Yeshua the Jew, the Messiah, and the King of the Jews. *Chronicles of the Messiah* weighs in on the ramifications of those titles and builds on that perspective to study the whole gospel story within the context of first century Judaism and the Jewish people of Jesus' day.

The five books plus appendices of *Chronicles of the Messiah* present an extensive harmonized study of the Gospels from a Messianic Jewish perspective, presented in a sturdy, hard cover edition. *Chronicles of the Messiah* takes students on a passage-by-passage study through the story of Messiah, reconciling all four Gospels accounts into one continuous narrative. This is an invaluable study source for every serious student of the Bible.

STUDY, PRACTICE, TEACH!

Today's Bible students are seeking more! More than just creeds and dogma, today's Christian wants to apply the Bible to life by studying to learn, practice, and teach. Believers want to explore outside of traditional, denominational interpretations by examining the Bible as it was understood by the Jewish writers of the New Testament. Studying the Scriptures through "Jewish eyes" enables the Bible student to enter into the theological, cultural, and historical world of Jesus and the apostles and to understand the Bible as they understood it. Through comparison with Jewish teachings, Torah Club grants us a "before" picture with which we can compare our faith today and bring it into alignment with the original. A historical approach to Bible study recalibrates our spiritual compass, correcting our course for the future by pointing us toward the kingdom of heaven. Torah Club invites you to take the next step in your walk with God: to study, to practice, and to teach.
